

Raise money for your student's band account using Scrip!

Changes are coming to the Lake Braddock Scrip Program this year... We will be moving into the digital world.

What is "SCRIP"?

How often have you been caught without cash but didn't want to use a credit card? SCRIP can be used in place of cash, checks, and credit cards for everyday expenses like groceries, gasoline, clothing and other essentials, as well as for entertainment expenses like movies, restaurants, and even vacations. Nearly 700 vendors are available nationwide! You can also give them as gifts or e-gifts.

For every dollar of SCRIP you purchase your student earns 2-18% (or more) towards the spring trip and band funding without you spending an additional penny! Scrip is the only **individual** fundraiser *currently available*.

Pull out a SCRIP card to pay for your purchases at hundreds of national and local retailers where you already shop. In many cases, you can print "ScripNow" at home or reload a plastic card already in your wallet before walking out the door. And with www.myscripwallet.com a mobile scrip website, you'll be able to easily order ScripNow® eCards, reload existing plastic cards, pay for these products using your PrestoPay™ account, and redeem them directly from your smart phone (iPhones and Android devices). It uses your existing ShopWithScrip® and PrestoPay account, so you have access to more than 300 of your favorite brands available in ScripNow eCards, and over 100 brands that can be reloaded.

How do I get SCRIP?

You can now order SCRIP on-line, instead of using paper order forms. This gives you more vendors to choose from, and saves time and paper all around.

- Go to www.shopwithscrip.com and register by entering your e-mail address, creating a password, and filling out the required information, including your student's name.
- Accept the "terms and conditions" and enter the LBB Enrollment Code **2FL5B2L1117L4**.
- Opt in for emails notifying you of bonus periods & new retailers.
- Once you enter your order online the SCRIP Coordinator will automatically be notified and your order will be included in the group order when it is placed (usually on a monthly basis). Orders for plastic cards can be picked up at the Coordinator's home, generally within one week of the ordering deadline date. *(Reloads and ScripNow are available instantly, no waiting for a plastic card to be delivered!)*

DEADLINES: Sep 13, Oct 5, Nov 15, Dec 6; 2017 TBA; ScripNow and reloads are 24/7/365

How do I pay for SCRIP?

Activate the "Presto Pay" tool and conveniently pay online at the time you place your order. Your payment will be electronically deducted from your checking account. There's only a small fee of just 15 cents per order -- less than the cost of a postage stamp or the gas used to drop off a check at school! Easy on the coordinator and treasurer!
